The departmental tour organized on the 2nd of September 2023 to Pahalgam served as a much-needed respite for the students, offering a brief reprieve from the impending stress of upcoming exams. The primary objective of this tour was to create a dynamic and enjoyable environment that fosters open communication, allowing everyone to recharge and return to work with renewed energy and motivation, ultimately enhancing our department's overall productivity.

ACKNOWLEDGMENTS

Before delving into the details of the trip, we would like to extend our heartfelt gratitude to the Head of the Department, Dr. Gousia Qazi, for her unwavering support and approval, without which this trip would not have been possible. Her encouragement and belief in the importance of such excursions for student well-being are greatly appreciated.

We also extend our gratitude to the faculty coordinator of the trip, Dr. Brajendra Singh Sengar, and Dr. Ashok Kumar, for their meticulous planning and execution. We appreciate their dedication in ensuring the trip's success. Additionally, we are thankful to Dr. Lavanya Madhuri Ballipo and Dr. Pramod Kumar from the CSE department, who accompanied the students, enriching the overall experience. Also thanks to our student coordinators, Md Saif and Harmanpreet Kour, for their dedication and organizational skills which were instrumental in making this trip a memorable experience for all.

TRIP DETAILS

Itinerary

The trip commenced on Saturday, 2nd September 2023, with students assembling at 6:00 am to embark on a journey to the enchanting destination of Pahalgam. Institute buses were arranged to transport the students, ensuring a comfortable and safe commute.

Destination: Pahalgam

Pahalgam, known for its scenic beauty and serene landscapes, provided the perfect backdrop for our departmental excursion. The picturesque views, lush green meadows, and tranquil environment served as a refreshing break from the daily academic grind.

Activities

Throughout the day, students engaged in various recreational activities, including nature walks, trekking, and group discussions. These activities promoted open communication among students, fostering camaraderie and a sense of belonging within the department.

Meals

For sustenance, the institute mess provided delicious and hygienic meals, ensuring that students were well-fed throughout the day. The food includes Bananas, Aloo paratha with ketchup & pickles and Bread with butter & Jam.

CONCLUSION

In conclusion, the departmental tour to Pahalgam on the 2nd of September 2023 was a resounding success. It not only provided a much-needed break to alleviate stress but also created a vibrant and engaging environment that encouraged open communication and unity among students. We returned from this trip recharged and motivated, which will undoubtedly enhance our department's overall productivity.

We extend our sincere thanks to all the coordinators and professors who contributed to the success of this trip. Your unwavering support and guidance are deeply appreciated.

This departmental tour was a testament to the positive impact that such experiences can have on the overall well-being of students and the department as a whole.
